WEDNESDAY, NOV. 27, 1907.

One Mr. Drake has nominated Roosevelt as King. Call him goose and be done with it.

The Peace Conference has not and adjourned and now the nations are building more battleships than ever before.

Beckham says Waterson did it and Waterson says Beckham did it. The rest of us lay it on the voters of Kentucky.

It isn't worth while to say that money is scarce. It has always been scarce and unless it was scarce it would not be good.

It would contribute to the happiness of Speaker Cannon if these "wireless" don't let him know at sea what is going on at home.

A new and dangerous $10 counterfeit note is in circulation. Insist in getting your money in clearing house checks.—Chicago Tribune.

Mr. Roosevelt will eat his Thanksgiving turkey in Virginia, knowing as he does that turkeys no where "grow as they do down in old Virginia."

The President's proposed conference of Governors will give the fellows from the other states a chance to know what the Governors of North and South Carolina realy did say.

If "scrip" will pay debts and buy what you need what reasonable objection can there be to it? And then it bears 4 per cent interest and if you hide it in a sock it will grow This cannot be said of gold or greenbacks.

Senator Carmack's opinion that Mr. Roosevelt is the biggest fish and the most popular man in the country, is something like Carlyle's statement that the population of England consisted of forty millions mostly fools.

An Englishman who visited the country was asked if he "saw any old men in America," and replied "I saw no young men." The man must have been blind. Gray hairs are rarely seen on our Stock Exchanges and other business centers. This is the day of young men.

"Be ye thankful," not because the President says so, nor yet the Governor of your State, but because of the direct command of the God who made you and supplies your every want. Be thankful for continued being, for home and fireside and friends and food. For restful nights and for capacity to work through the day. For whatever success you may have met and for disappointments for oft time that is rest. For peace and plenty, for courtesies received and all manner of kindnesses. For every victory you may have won over passion and prejudice, over sin and self. For all true knowledge gained and for every error in your life corrected. For the civilization you enjoy, marred as it is by much of crime and wrong. For a land of freedom, though controlled by politicians rather than statesmen. For an open Bible so rich in promises, and for salvation so free. For the preached word; for the Sunday school and for the Christian Sabbath.

Circuit Court of Buckingham County.

Proceedings at the special term of the Circuit Court of Buckingham county, held on the 18th day of November 1907 for the trial of the case of Jennie S. Jones et als vs the Buckingham Slate Company, a corporation, incorporated.

Action of Trespass on the case in assumpsit to recover damages for covering a known vein of slate with rubbish and debris in working the slate quarry involved in this controversy.

On motion of the defendant, the Court and jury visited the premises involved in this controversy, and all the evidence having been adduced and it appearing at the trial of this action that there is a variance between the evidence introduced on behalf of the plaintiffs and the allegations or recitals of the plaintiff's declaration, on motion of the plaintiffs and the court considering that substantial justice will be promoted doth allow the plaintiffs to amend their declaration and thereupon this action is continued to the next term of this court.

Free Lance.

There will be a meeting of the Ladies Aid Society of the Presbyterian church of Buckingham C H. in the Library building on the 30th of November at 11 a. m. The members propose to hold a Bazar on that occasion at which fancy articles will be sold. Also cake, candy, sandwiches and oysters. The proceeds of this sale will go towards paying the last payment on the Manse. This is a worthy cause, and we hope the public generally will come forward and lend a helping hand.

Charles Ellis Hall, of Covington, will spend this week with his parents Mr. and Mrs. T. B. Hall at Alcom.

Mrs. E. V. Scruggs is expected home soon, after a long absence. We gladly welcome her once more to our midst.

Miss Hallie Morrison, of Texas, is now on a visit to her sister, Mrs. A. J. Boudurant.

Judge A. S. Hall is in Albemarle this week.

Mr. C. R Rosen paid a short business trip to Farmville during the rainy days. He was accompanied by T. B. Hall, Jr.

The members of the Y. P. P. U. will entertain during the Christmas holidays. We bespeak for them a liberal patronage. This is a society formed of the young people of the Presbyterian church. They have not been organized very long and have already a nice sum realized by their energy and determination

Garretts.

Dear Mr. Editor: We will let you hear from us again this week, as the correspondent of the TIMES was feeling too unwell to send in his letter last week.

We are sorry to say our school was closed this week on account of rain.

Mr. James L. Baird has just returned from the Courthouse, where he has been attending court.

Mr. C. R. Baird has just returned from Farmville bringing the good news that tobacco is selling well.

We were sorry that Rev. Mr Baird was unable to fill his appointment on account of rain.

We are glad to say that Mr. William Baird is improving from his slight attack of LaGrippe.

Mr. John Staton is indisposed.

Messrs. George Maxey, Frank and Wash Slater drove a lot of cattle out for Lynchburg last Tuesday.

The farmers are smiling now over the pretty, bright sun, for they have so much corn and feed on the ground.

Pity poor Wall street! Unable to trust any longer in stocks, bonds, banks and trust companies, a wicked President declines to let it trust in God.

Why should the President summon a whole confab of governors, when he might easily call in Gov. Hoke Smith and find out all about everything.

The fact that a New York manufacturer wanted to change the name of the Teddy Bear must be accepted as an indication of waning popularity whether we like it or not.

The old query "what is whisky?" is going the rounds again. It is to be hoped somebody will find out before everything goes prohibition.

ABSOLUTELY CURES—
Indigestion, Rheumatism, Diabetes, Kidney Diseases, Bladder Troubles, Liver Complaints.

A Sure Kidney and Liver Cure.

Have you healthy kidneys? If not you will soon be attacked with that terrible Disease, Rheumatism, Diabetes, Gravel, Dropsy or Bloodpoison, and your health and happiness ruined. Herington's is the only treatment that is a sure cure for the dreaded Bright's Disease, Diabetes and all Kidney Troubles. Don't neglect your kidneys if your kidneys are not healthy, if the bladder is inflamed and weakened, torn bladder, cropped or cloudy, smarting in passing, pains in back, nervous, languid, depressed, sick headache, bad taste, coated tongue, sunken cheeks and dull eyes, if digestion bad, write for a box of HERINGTON'S TABLETS and be cured.

What Causes Rheumatism.

RHEUMATISM is caused by an excess of uric acid in the blood. Ask any reputable physician, ask your family doctor, and he will tell you that the Uric Acid must be dissolved and drawn from the system before the disease yields.

Now we say that the only medicine known that will actually dissolve Uric Acid and cause it to be driven out of the body is Herington's Tablets. Local applications such as liniments, lotions, salves, etc., are useless. They may afford temporary relief only and it is time wasted to the locality of the patient, unless constitutional treatment is carried on at the same time. Why? Because the muscles and tissues of the blood, and the blood must be freed of the cause or no cure can follow.

Write Today—Fill in the coupon, printed below and send it to us with 25 cents. We will mail to you a liberal sized box of Herington's Tablets. If they fail to CURE you we will return your money as willingly as we took it. Our guarantee is NO CURE, NO PAY.

Mr. W. H. Crenshaw died in Atlanta, Ga., on last Friday, and his remains were interred in Spring Hill cemetery, Lynchburg, Va., on Monday. The deceased was born and reared in Lynchburg, and it was our good fortune to know him well and to be associated with him as a co-laborer in the bindery department of the great printing house of the late Chas W. Button for many years. He was patient, kind and withall possessed in a marked degree every faculty which goes to make up a true man. We mourn his death for he was our friend, and the present age presents few such men of his loyalty and character.

Mr. Robt. Irby is sick.

Mrs. A. H. Gregory has returned from Roanoke.

Every inch of space of the Appomattox Warehouse floor was covered with tobacco at the sale Tuesday. The offerings were good and the prices were off. Farmers were discouraged at the prices, and unless the management can secure more buyers the market will suffer. We are assured that the management intend to do everything in their power to make the market equal to that of any town in the State. Prices ranged from $2 50 to $6 50 for lugs and primings. For leaf from $6.50 to $10.00. The planters were paid in script.

The Pamplin market holds up well, but prices are not satisfactory on leaf. The warehouses are paying in cash. Our reports from Lynchburg are to the effect that all grades are selling well. They pay you in sc ipt there also.

Mrs. Wooldridge was a woman of fine character and was highly esteemed and widely known Her funeral was preached by her pastor, Rev. Sad Accident.

Mr. W. W. Sims was killed on a freight train at Keystone, W. Va. last Wednesday night. It is thought by his friends who were first to reach him that he attempted to board an eastbound freight for North Fork, where he resided. He had made all his arrangements to come home that night to this county where his parents reside to take a vacation and hunt. The deceased met a most horrible death. His friends who saw him fall cannot account for it. Some say he fainted, others think he dropped from heart failure. His body was fearfully mangled, his head was on one side of the rail and body on another, with both arms cut off, and otherwise mangled.

Mr. Sims had been connected with the Norfolk and Western Railway, for about 20 years, and at the time of his death was engineer. His remains were brought here Thursday evening for burial at the family burying ground, accompanied by an escort of the Masons and the Locomotive Brotherhood, to which orders the deceased belonged. His recent request was that he should be interred at his old home.

His wife, who was Miss Ne man of Roanoke, and five little children survive him. Besides these he is survived by his father, and mother Mr. and Mrs. M. H. Sims, of this county, two brothers, E. H. Sims, of Roanoke, W. C. Sims, of this county and three sisters, Mrs. Stephen Duff, of New York and Mrs. R. C. Mann and Mrs. J. C. Ferguson, of Appomattox.

The deceased was a fine specimen of vigorous young manhood, and just as he was entering the age of usefulness—being 39 years of age, he was suddenly snatched from his wife and children and dear ones. He was a popular young man and had friends wherever known. His bereaved ones have the sympathy of all of our people.

At the grave Rev. W. L. Murphy officiated, and the following acted as pall-bearers: M. R and B. C. Sims, Jennings Ferguson, R. C. Mann, W. C. Sims, and Wise Newman. The Brotherhood and Masons had charge of the remains.

You May Not Need it Now.

Here is a simple home-made mixture as given by an eminent authority on Kidney diseases, who makes the statement in a New York daily newspaper, that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the receipt for it:

Fluid Extract Dandelion, one ounce; Compound Kargon, one ounce; Compound Syrup of Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

A well known druggist here in town is authority that these ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure the Rheumatism by forcing the Kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter, which causes these afflictions.
